► CUSTOMER SERVICE

Quality Buildings has a staff that works hard to ensure our customers are satisfied with their product. From placing an order, to the end of your lease or sale, we go above and beyond to make sure our customers are taken care of.

We especially appreciate our customers who have served in the military! Please ask about our military discount if you are a veteran.

► COMPETITIVE PRICING

Ron's pricing beats most of our competitors. We ensure that our customers are getting a high-quality building for a reasonable price. We leave room for add-ons and features that won't break the bank.

► CUSTOMIZABLE OPTIONS

Quality Buildings makes it possible to make your building exactly what you need. We offer options like lofts, custom paint, electrical packages, and more.

► ONE-YEAR WARRANTY

Quality Buildings offers a one-year warranty to the original purchaser that all the building's components are free from defects in material and workmanship upon delivery. We will repair or replace any component that does not provide reasonable service under normal use.

► FAST & FREE DELIVERY*

We offer FREE delivery for all custom-built products for 200 miles from our manufacturing plant in Poteau, OK. We offer FREE delivery up to 50 miles from the dealer location on all existing buildings. \$5/mile outside of the free delivery range. We are committed to delivering your building in a safe and timely manner. Delivery times can vary due to weather, holidays, etc. Please give us a call for our current delivery times.

All our qualified drivers will have a Mule with them to place your building exactly where you want it. The Mules allow us to place your building where our trucks and trailers can't get to with minimal damage to your yard. We set and level our buildings at no extra cost to our customers. All our buildings are set on 8" cinder blocks and 4" cap blocks. You can provide these, or purchase from us for \$5/block.

**14' & 16' wide buildings will have permits and oversize load fees that the customer is responsible for.*

THANK YOU

We at Quality Buildings would like to say thank you for being a loyal customer. Having a connection with you, whether at one of our dealer locations or online, allows us the opportunity to anticipate your needs and deliver the products and experiences you are looking for.

It has been our pleasure to serve and supply you with quality products and hope we have the opportunity of providing for you for many years to come.

*Your team,
Quality Buildings, LLC.*
